Introduction

This policy recognised the commencement of all sections of Children First Act 2015, on 11 December 2017. All staff members of Scoil Bhríde Middleton and members of the Board of Management took an active role in revising the previous version of this policy as well as undertaking the training to familiarise themselves with the procedures outline below during training 27th August 2024. Reviewed and revisited annually and including 2023 updates.

Relationship to School Ethos

The school promotes positive home-school contacts, not only in relation to the welfare of children, but in relation to all aspects of school life. This policy is in keeping with the school ethos through the provision of a safe, secure and caring school environment and the furthering of positive home-school links. Scoil Bhríde Middleton had 4 ASD Special Classes, 2 Early Intervention ASD Class, Boys and Girls enrolled in Junior and Senior Infants as well as all Girls from 1st – 6th Classes. We are a Primary School founded on the Presentation philosophy of Education and Catholic faith. We strive to proactively nurture and educate each child to her fullest potential and at every stage of her development. We believe in striking balance and we encourage the cultivation of strong relationships within the school and community.

What are the implications of this policy for Scoil Bhríde?

Mandated Persons

All teachers are now 'mandated persons'. There are two areas of responsibility which will apply to mandated persons in a primary school:

- Where a mandated person knows, believes or has reasonable grounds to suspect, on the basis of information that he or she has received, acquired or becomes aware of that a child:
 - has been harmed
 - is being harmed
 - is at risk of being harmed
 - Where a child believes that he or she:
 - has been harmed
 - is being harmed
 - is at risk of being harmed
- He or she must report that knowledge, belief or suspicion, to the Child and Family Agency (Tusla) as soon as practicable. and discloses that belief to a mandated person, the mandated person must report that disclosure to Tusla as soon as practicable.

Child Safeguarding Statement

The Board of Management (BoM) of each school must produce a Child Safeguarding Statement on or before 11th March 2018. This needs to be reviewed annually with the latest review taking place on the 23rd August 2023.

Risk Assessment of potential harm to children

The BoM of each school must produce a *Risk Assessment of all potential harm to children* on or before 11th March 2018, in conjunction with the *Child Safeguarding Statement*. (Revisited 10th September 2024)

Child Protection Oversight Report

A new child Protection Oversight Report must be provided to the BoM of Scoil Bhríde Midleton as part of the Principal's Report at every meeting - to ensure oversight by the BoM of the school's compliance with child safeguarding requirements.

Important Note: It should be noted that risk in the context of this risk assessment is the risk of "harm" as defined in the Children First Act 2015 and not general health and safety risk. The definition of harm is set out in Chapter 4 of the *Child Protection Procedures for Primary and Post-Primary Schools (revised 2023)*

In undertaking this risk assessment, the board of management has endeavoured to identify as far as possible the risks of harm that are relevant to this school and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the school has in place the procedures listed in this risk assessment to manage and reduce risk to the greatest possible extent.

Examples of activities, risks and procedures

The examples listed in this document are provided to assist schools in undertaking their risk assessment under the Children First Act, 2015. Schools should note that this list of examples is not intended to be exhaustive. It is the responsibility of each school to ensure, as far as

possible, that any other risks and procedures that are relevant to its own particular circumstances are identified and specified in the written risk assessment and that adequate procedures are in place to address all risks identified.

It is acknowledged that schools already have in place a range of policies, practices and procedures to mitigate the risk of harm to children while they are participating in the activities of the school and that some school activities will carry low or minimal risks of harm compared to others. In the context of the risk assessment that must be undertaken by schools, the Children First Act, 2015 refers to risk as "any potential for harm". Therefore, it is important that, as part of its risk assessment process, each school lists and reviews all of its various activities (which shall include identifying those that may carry low risk of harm as well as those that carry higher risks of harm). Doing so will help the school to (1) identify, as required under the Children First Act, 2015, any risks of harm that may exist in respect of the school's activities, (2) identify and assess the adequacy of the various procedures already in place to manage those risks of harm and (3) identify and put in place any such additional procedures as are considered necessary to manage any risk identified.

The Addendum to *Children First: National Guidance for the Protection and Welfare of Children* published in January 2019 clarifies that organisations providing relevant services to children should consider the specific issue of online safety when carrying out their risk assessment and preparing their Child Safeguarding Statement.

The Guidance on Continuity of Schooling for primary and post-primary schools (April 2020) advises of the importance of teachers maintaining the safe and ethical use of the internet during distance learning and assisting parents and guardians to be aware of their role also. Schools should ensure that their Acceptable Use Policy (AUP) informs and guides remote or distance learning activity.

Important Note: It should be noted that risk in the context of this risk assessment is the risk of "harm" as defined in the Children First Act, 2015 and not general health and safety risk. The definition of harm is set out in chapter 4 of the *Child Protection Procedures for Primary and Post Primary Schools (revised 2023)*.

The threshold of harm at which you must report to Tusla under the Children First Act 2015, is reached when you know, believe or have reasonable grounds to suspect that a child has been, is being, or is at risk of being ill-treated to the point where the child's health, development or welfare have been or are being seriously affected, or are likely to be seriously affected.

Physical Abuse

The threshold of harm, at which you must report to Tusla under the Children First Act 2015, is reached when you know, believe or have reasonable grounds to suspect that a child has been, is being, or is at risk of being assaulted and that as a result the child's health, development or welfare have been or are being seriously affected, or are likely to be seriously affected.

Sexual Abuse

If as a mandated person, you know, believe or have reasonable grounds to suspect that a child has been, is being, or is at risk of being sexually abused, then you must report this to Tusla under the Children First Act 2015. As all sexual abuse falls within the category of seriously affecting a child's health, welfare or development, you must submit all concerns about sexual abuse as a mandated person to Tusla.

There is one exception, which deals with underage consensual sexual activity between teenagers who are between 15 and 17 years of age [See Children First National Guidance for the Protection and Guidance of Children, P23]. This is unlikely to apply to Primary Schools.

Child Protection Reporting Procedures for DLP

- DLP receives report of a child protection concern
- DLP checks with Children First Guidelines for initial clarification regarding the nature of the concern
- DLP records the report – date/time/context. Child’s registration number is used for recording purposes
- DLP makes informed decision on how to proceed based on information received and the urgency of the situation presented.
- DLP informs Chairperson of Board of Management that initial contact is being made with Tusla for advice if appropriate.
- DLP makes contact with Tusla seeking advice (Do not give name of child at this point. Be very clear that you are seeking advice).
Take the name of the person you spoke to and record conversation
- Duty Social Worker makes recommendation. This may involve school continuing to monitor the situation in school. Record this decision and send written record of this decision to Tusla. Alternatively, a formal referral made on standard reporting form may be recommended by Social Worker (Keep a copy of completed form on file in a secure place)
- If Tusla is not available for advice/ referral and case warrants immediate response – Gardaí are informed
- Decision must be made on informing/not informing parents - taking safety of the child into consideration as number one priority.
A decision NOT to inform parent/s should only be made where there is a genuine concern for the safety of the child. Be transparent with parent/s and ensure that they are aware that you have a non-negotiable responsibility as DLP to act in the best interests of the child (Refer to Children First)
- If DLP decides not to contact Tusla in relation to the case – person who made original report must be informed of this decision in writing
- Continued monitoring of child should be recommended
- The number of Child Protection concerns that have been discussed/ reported to Tusla should be included in the Principal’s Report to Board of Management Meeting – Children’s names must never be used.

Section 5.1.1 requires that the DLP (School Principal S.O'Connor) shall make a written record of any concern brought to his or her attention by a member of the school staff and will place this record in a secure location

Section 5.3.3 requires that in all cases where the DLP has sought the advice of Tusla, the DLP will retain a record of the consultation which will note the date, the name of the Tusla official and the advice given

Section 3.4.5 requires that all records created shall be regarded as highly confidential and placed in a secure location

Section 3.4.6 requires that to allow for the effective recording and tracking of relevant records and actions, child protection case files

and any parties referenced in such files shall be assigned a unique code or serial number by the DLP. In this context 'parties' means any party whose identity, if disclosed, might lead to the identification of a child or a person against whom an allegation has been made

Section 9.4 requires that a Child Protection Oversight Report must be provided to the Board of Management (BoM), as part of the principal's report to the board, at every BoM meeting. The information that will be provided in this report is set out at sections 9.5 to 9.8 of these procedures

Sections 9.5, 9.6 and 9.7 provide that the minutes of BoM meetings will record child protection matters by reference to the unique code or serial number assigned to the case/parties concerned

Section 5.3.6 requires that where the DLP informs a parent/carer that a report concerning his or her child is being made, a record will be made of the information communicated by the DLP to the parent/carer. It also requires that a decision by the DLP not to inform a parent/carer shall be recorded together with the reasons for not doing so

Section 5.3.8 requires that if the DLP decides that the concern of the member of school personnel, including that of a mandated person should not be reported to Tusla, the DLP shall give the member of the school staff a clear statement, in writing, as to the reasons why action is not being taken. A copy of this statement shall be retained by the DLP. Where that member of the school staff decides to make a report to Tusla, he or she must provide the DLP with a copy of that report

Section 5.6 requires that where the DLP issues a notification to a parent in accordance with that section, a copy of that notification shall be retained by the DLP

Section 3.5.4 requires the BoM to ensure that arrangements are in place to ensure that the DDLP can access relevant records when required

Protected Disclosure Policy

Scoil Bhride

Roll Number 13910N

What is a Protected Disclosure?

“A protected disclosure means disclosure of relevant information, which in the reasonable belief of the worker, tends to show one or more **relevant wrongdoings** and which came to the attention of the worker in connection with his/her employment”.

In making a disclosure a worker must reasonably believe the information disclosed to be substantially true. No worker will be penalised simply by getting it wrong so long as the worker had a reasonable belief that the information disclosed shows, or tends to show, wrongdoing.

The Protected Disclosures (Whistle-blowers) Act 2014:

The above Act came into effect on the 16th of July 2014. Schools are required to put a Protected Disclosure policy in place which meets the requirements of the Act. The Board of Management of Scoil Bhride Midleton, takes the issue of wrongdoing seriously and as a result has drafted this policy.

- Acceptable Usage Policy

What are “Relevant Wrongdoings”?

Relevant Wrongdoings include but are not limited to the following:

- The commission of an offence.
- Non-compliance with a legal obligation

- Danger to Health & Safety of an individual.
- Improper use of public funds.

The relevant wrongdoings may already have taken place, be happening or be likely to happen.

Who is a *Worker* as far as a school is concerned?

- All current and former employees (including permanent, temporary, fixed-term, casual and substitute);
- Contractors and consultants engaged to carry out work or services for the school;
- Agency workers;
- Individuals on work experience pursuant to a training course and trainees of/with the school.

To whom do you make the Disclosure?

The vast majority of disclosures should be made, orally or in writing, to the school Principal or to the Chairperson of the Board of Management (BOM). Where this is inappropriate or impossible there is provided a list of “*Prescribed Persons*”. In relation to schools the Prescribed Person is the Secretary General of the Department of Education and Skills (DES).

What protections are available to whistle blowers (Disclosers)?

Among the protections are:

- Protection from dismissal.
- Up to 5 years’ remuneration for unfair dismissal.
- Protection of identity (subject to certain exceptions)
- Protection from penalisation by the school Board of Management.

What is best practice?

If you as a member of staff have a genuine or reasonable concern that there is wrongdoing in the school you should report it to the Principal. If this is not appropriate or possible you should then report it to the Chairperson of the BOM. Workplace grievances should be reported in the normal manner and are not covered by this policy. It should be noted that while internal reporting is encouraged you have the option to raise concerns outside of the school’s Board of Management and report to the Secretary General of the DES.

Confidentiality:

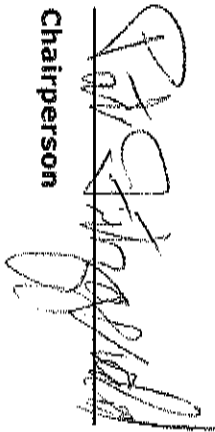

Scoil Bhride Midleton is committed to protecting the identity of the worker making a protected disclosure and ensuring that protected disclosures are treated in confidence. However, there are circumstances, as outlined in the 2014 Act, where confidentiality cannot be maintained, for example, where the Discloser makes it clear that he/ she has no objection to his or her identity being disclosed and/or the identity of the Discloser is critical to an investigation of the matter raised. If it is decided that confidentiality cannot be maintained in the context of an investigation, the school will inform the Discloser in advance that his /her identity will be disclosed.

Review

This policy will be reviewed in September 2025 as per circular.

Ratification

This policy was reviewed and adopted by the Board of Scoil Bhride Midleton on Wednesday 10th September 2024.
